Detailed Action

The amendment filed on 4-18-2005 has been entered. Upon further consideration, the allowable subject matter of claim.24 as indicated in the last Office action and the finality of that Office action have been withdrawn. Any inconvenience to the Applicant is regretted.

Claims Rejection - 35 U.S.C. 102(b)

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 23-26, 28 and 34 are rejected under 35 U.S.C. 102(b) as being anticipated by Duncan et al. (U.S. Patent No. 5,074,044).

Duncan et al. show a circular saw comprising a housing (16), a motor (see column 6, line 30), a saw blade (14), a first cover (34) semi-circular in shape, a second cover (40) completely covering the first cover (34), and wherein the first cover (34) is disposed between the saw blade (14) and the second cover (40) as claimed.

Indication of Allowable Subject Matter

1. Claims 4-20, 30-32, and 44-45 are allowed.

2. Claims 27 and 35-38 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Action Made Final

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
